

CERTIFICATE OF GOOD CONDUCT

Please be informed that certificates requested through our Embassy are delivered electronically to our office – we make a certified hard copy of this with a certified English translation for an extra charge.

If you need to obtain diplomatic legalization for the certificate, you are advised to obtain it in Hungary or have it delivered to Hungary (in this case you can request it online on Client Gate+ for free) because Hungarian documents can only be attested in Hungary: <https://konzinfo.mfa.gov.hu/ugyintezes-a-konzulnal#ugyintezes-magyarorszagon>

Who needs to attend the appointment?

Requests can be submitted in person.

What do I need to submit upon my visit?

- Verification of identity (for Hungarian citizens: Hungarian passport, national ID or Emirates ID, for non-Hungarian citizens: passport or Emirates ID)
- Filled in request form (with a blue ink pen or typewriter) – FAQ:
 - o In Nr. 8. (Tartózkodási hely) you need to provide your UAE address.
 - o In section II. only provide a delivery address if you wish to have your certificate delivered to a Hungarian address.

When will my certificate of good conduct be ready and how will I know?

The certificate will be ready for collection within a week. You will receive an e-mail notification. **Please be aware that a certificate of good conduct is valid for 90 days from the day of issuance.**
